ESSEX PLACE-NAMES PROJECT.

The Essex Place-names Project is a County-wide survey to record place- and field-names from historical documents such as Tithe maps and apportionments, estate maps, sale and auction catalogues, conveyances, terriers, deeds, rolls, inquisitions and surveys.

The second element of the Project is to investigate on-the-ground visible remains which correspond to the Place-names for actual or potential archaeological, agricultural and industrial sites, and to record natural (topographical) and man-made features which may relate to the Place-name. This involves field-survey in rural and outside investigation in built-up areas.

It is anticipated that the Project will lead to identification of archaeological sites and lost historic buildings; it will enable analysis of indicators of early settlement, land holding, agricultural and industrial practices of the County. It will refine the more precise meaning of descriptive words and elements used by earlier settlers as they gave names appropriate to the topography of the landscape of their time.

For convenience the surveys are based on the parish, recognising that present civil parish boundaries are not necessarily identical to former ecclesiastical boundaries. Local Recorders are supplied with templates of Record Forms to ensure consistency of recording across the County, and forward completed forms to a Central Coordinator for transfer to a county computer database which is available at the Essex Record Office to researchers.

This publication presents part of the information recorded from the Tithe or Estate Award and Map, (and from other documents for this parish.) The full record is contained on the master database in the Essex Record Office, Wharf Road, Chelmsford CM2 6YT and the website www.essex.ac.uk/history/esah/essexplacenames. Parish books are available from the Publications Manager, ERO, on disc or in hard copy or may be downloaded from the website. Please notify errors to the Project Coordinator at the Essex Record Office.

THE TITHE MAP AND APPORTIONMENT.

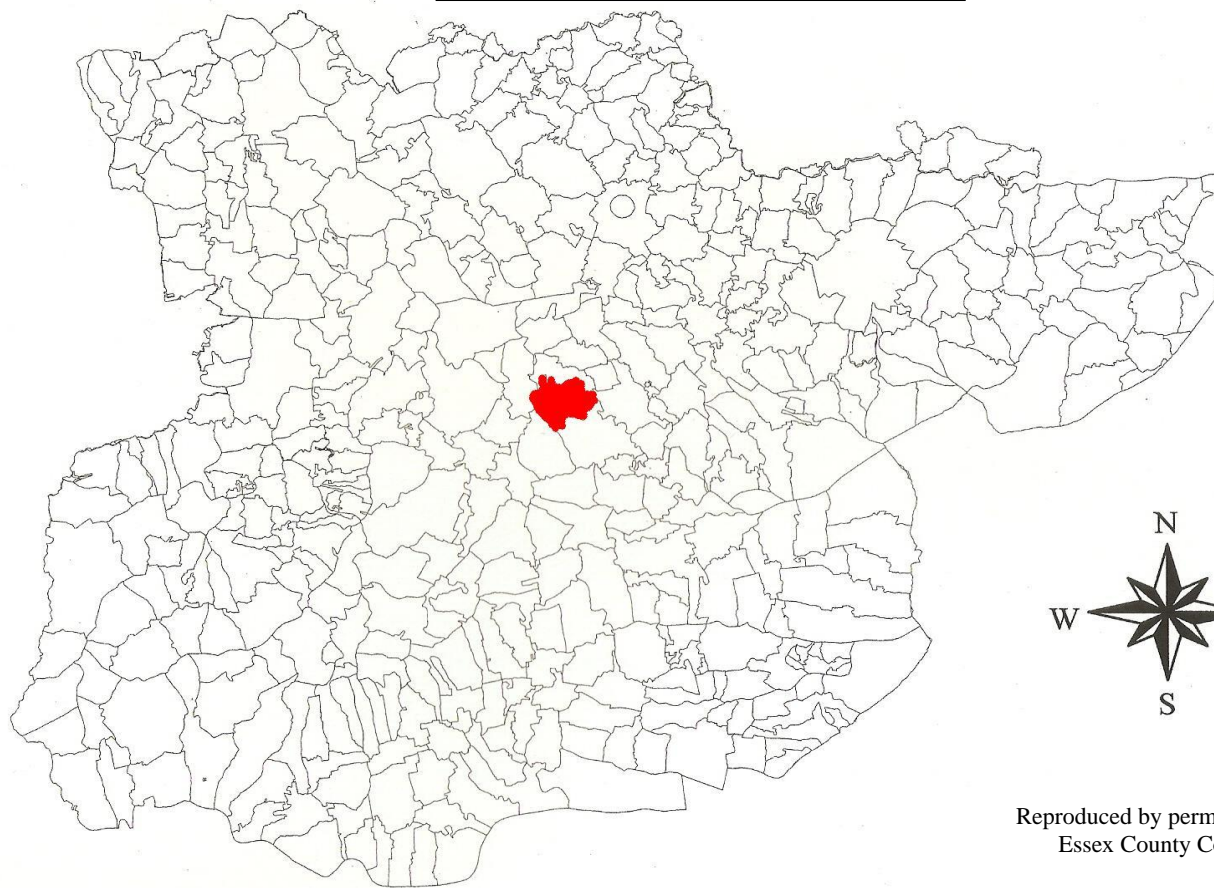

Since medieval times a tenth of the produce of land and stock had been paid by landholders to the church. At the Dissolution of the Monasteries, the property of many religious houses, including the right to collect tithes, passed into lay hands. The Tithe Commutation Act which received Royal assent on 13th August 1836 abolished a rent payable in kind and substituted rent-charges apportioned on each plot or parcel. The tithe-rent payable was assessed on the average value of wheat, barley and oats and was to fluctuate with price movements.

The commutation could be by voluntary agreement between the local owners and payers or, if agreement failed, could be compulsorily imposed by commissioners. A Valuer was to be appointed to apportion the rent of each parcel of land and tenants could deduct that rent-charge from their rent paid to the landlord. The task fell to the Tithe Commissioners to produce a map and an Apportionment (Award). A large-scale survey was produced for over 70% of England and Wales in the following 9 years, and about another 8% up to 1855. Most of the parishes in Essex were surveyed. The map scales vary. The Award records ownership, tenancy and land-use, field by field and parcel by parcel (often quoting the field name) with the ground area and rent-charge.

Land that was tithe-free tends to be less accurately mapped and contains few if any of the details recorded for those parcels subject to tithe. Rights of way and roads also tend to be neglected. Boundaries of the tithe areas are shown as are some natural features such as streams, ponds, gardens, greens and commons. Buildings are often shown coloured red if dwellings or grey if not. Because the Award may have been agreed only some time after the map was finished, discrepancies occur between the two. Enclosure Awards, when extant, usually date to the 18th and early 19th centuries.

Terling Parish (in Witham Hundred).

Terling Tithe Award (Essex Record Office D/CT 344a), dated c.1841, shows a rent-charge of £104-16-2 payable to Joseph Holden Strutt (2nd schedule) and £278-17-3 to the vicar Rev William Goodday (1st schedule). The whole parish measured 3056 acres of which 2358 acres were arable, 500 acres meadow and pasture, 185 acres wood and 13 acres glebe. The Tithe Commissioners were William Blamire and Richard Jones, the Valuer Robert Baker of Writtle.

The Tithe map (D/CT 344b), dated c.1841, was surveyed at a scale of 8 chains to an inch (10" to a mile) and measures 35"x31". It is countersigned by G.H. Whalley, Assistant Tithe Commissioner. The parcels in Terling village are shown in an inset surveyed at 4 chains to an inch.

Godgifu, the widow a certain ealdorman, willed an estate at *Terlinges* to Ely Abbey in 1022x1029. In 1042x1066 King Edward confirmed *Terlings* to Ely (S1051; Hart, 1971). In Domesday Book, Goscelm Lorimer held from King William one hide in Witham Hundred which was claimed by Ely. Richard held *Terlinga* from Ranulf Peverel which Aelmer, a king's thane, had held before 1066. Ranulf annexed in *Terlinga* five free men who held 3 hides less 15 acres before 1066. He had 5 houses [in Colchester] which Aelmer had held (Morris, 1983). Watts (2004) derives Terling from 'the people called after Terhtel'. The river name Ter, a back-formation, is first documented as 'water called Terleford' in 1245 (Reaney, 1935). In 1086 *Retleia(m)* (later the manor of Ridley Hall) was held by Walter from Geoffrey de Mandeville, which Asgar had held before 1066 as a manor for one hide.

There were these manors: **1.** The manor of Terling was taken by William I from the Abbey of Ely because of its support for insurrections against him. He granted it to Ralf Peverell of the Honour of Peverell (Kemble, 2007). It came to the Bohun family when, in 1269, it was held under them by the bishop of Norwich. Henry VIII resided here, and granted it to Lord Chancellor Thomas Audley in 1536. John Strutt, miller, MP for Maldon (died 1816) purchased Terling Place and was succeeded by John Holden Strutt. His wife, daughter of a duke, became Baroness Rayleigh in 1821, the title passing to his son John James Strutt. **2.** Margeries or Terling Hall, one mile from the church. *t.* Henry II it was held by Luke de Terling for one knight's fee from the bishop of Ely. John de Brianzon (died 1315/16) held it for one fee. **3.** Ringers: John Rengger held it *t.* Henry III. **4.** Lowes (Loys, Tithe no 525) formerly belonged to the Rochester family. William Rochester in 1558 held the manor and the manor of Skarletts of Sir George Norton. **5.** Ridley Hall (see above, Tithe no 47). Richard Riddelee (died 1302/3) held it of Sir William Bonvyle (Morant, 1768).

The church dedicated to All Saints has a 13th century chancel. Vine Cottage and Church View were formerly one house with an extant two-bay aisled hall of 14th century. Tudor House has jettied crosswings and a 15th century crown-post truss roof. Terling Place c.1775 by John Johnson has seven bays, remodelled c.1820. The smock mill, removed from Cressing, is early 19th century (Pevsner, 2007).

Place-names from the maps of John Strutt's estates Great Hooks Farm alias Porridge Pot Hall, 1734 (ERO: T/M 95/1), Waldens Farm by J. Raven, 1774 (T/M 97), and Rolles Farm by J. Raven, 1774 (T/M 100) and from other documents are shown against the tithe names.
